LETTER FROM THE SECRETARY

You've probably noticed the Groundglass and I have been MIA for a while. Just before Halloween, I discovered I was pregnant. I got hit with severe morning sickness soon after and am just now starting to feel well enough to get back into things.

I've been pretty out of the loop, relying on emails from other members to get the info I needed for the newsletter, so hopefully everything is still accurate. This issue is labeled "Winter" rather than January as it is almost February. I decide to make one issue for Dec/Jan/Feb and the next one will be coming in March.
